Child Guidance Center is a private, nonprofit agency that understands and treats emotional and/or behavioral problems of children. Child Guidance Center is the largest provider of mental health services in Northeast Florida.

Founded in 1951, Child Guidance Center continues to respond to the changing needs of our children and their families that we serve. As our environment changes, so must we to better serve our community. Having served the families of Northeast Florida since 1951, Child Guidance Center has seen the many problems that families face and we know and understand the impact of these problems. But through the variety of specialized services that CGC provides, we can help you to find not only hope, but solutions.

Child Guidance Center (CGC) offers an entire spectrum of counseling and social services: case management, psychiatric services, in-home family and school based counseling, crisis response, supervised visitation with parent education classes and full-service school programs. CGC helps by understanding and helping you understand your child. From infancy through early adulthood, our counselors are skilled in working with all ages.

Our staff of trained professionals use a multi-disciplinary approach to meet the unique needs of our clients. Our therapists can help with:

- Anxiety Disorders
- Attention Deficit Disorders
- Baker Act Diversion
- Communication Breakdown
- Delinquency Issues
- Depression
- Divorce Adjustment
- Emotional or Behavioral Issues
- Family Reunification
- Low Self-Esteem
- School Performance Issues
- Sexual, Physical or Emotional Abuse
- Suicidal Thoughts

Programs/Services

Case Management Services: Targeted Case Managers work with the child and family to link them with needed community services, monitor, & evaluate the services. Case Managers are advocates for the child/family.

Community Family Services: Provide in-home and on-site therapeutic services to children, adolescents and their families who are having serious emotional problems.

Day Care Consultation (Jacksonville Journey): Provides on-site evaluation of children in subsidized daycare programs in collaboration with the Early Learning Coalition and Jacksonville Children's Commission.

Family Services Planning Team (FSPT): This team consists of a group of representatives from various agencies who collaboratively are responsible for coordinating community-based support services for children who are at risk of losing their current home placement due to behaviors attributed to emotional disturbance.

Full Service School Counseling: Counseling is provided at seven high schools and their feeder schools located across Duval County. Individual, family and group sessions are provided.

High Risk Newborn Program: The Program serves families with children under 2 who are at risk of abuse or neglect. Specific services are determined by the family's needs. Services are delivered in the home setting.

Outpatient Services: Outpatient counseling consists of individual and family therapy, group therapy, and parental support. This service is available to all children, adolescents, and families who meet clinical criteria.

Psychiatric Services: Psychiatric services can be accessed through all programs at Child Guidance Center. Clients are provided the following services: Psychiatric Evaluation, Team Treatment Planning, and Medication Management.

Rapid Response Program: The Team's objective is to reduce the number of children hospitalized through the Baker Act and to ensure follow-up services are provided after the crisis intervention episode. Referrals are accepted from Duval County Public Schools and from Foster Care Hot Lines.

School-Based Counseling Programs: In-school counseling and educational services are provided to students assigned to the Excel/EBD Program in seven Duval County Public Schools.

School Support Services: Therapists are in classrooms to assist/participate in assessment of classroom and individual needs; teacher collaboration; group behavioral health activities. The intent is to focus on common issues of concern effecting academic achievement, i.e. peer interaction/ social skills, as well as to work with identified children requiring individual attention.
